

ANDY WIGHTMAN MSP

Lobbying Register June-December 2016

As part of a commitment to transparency I will be publishing a list of all individuals and organisations that have met with me to discuss matters of interest to them. This list comprises those meetings where the organisation has asked for **my** time to talk about issues that matter to **them**.

The list does not include meetings with constituents on constituency matters, Parliamentary business meetings (for example, a recent Economy Committee visit to SSE in Perth and Dundee City Council), meetings with Parliamentary staff, MSP staff, MSPs and Councillors, Cross Party Group meetings, seminars and conferences I attend as a paying delegate or speaker, meetings with the media and attendance at rallies and demonstrations.
