RECORDED DELIVERY

23 January 2013

Dear Mr Willis

NATIONAL FOREST LAND SCHEME NOTIFICATION OF SALE OF WOODLAND : TIRORAN

I am writing to formally advise you that Forestry Commission Scotland is proposing sale of the woodland property mentioned above and to advise you of the opportunities available to community organisations under our National Forest Land Scheme. We have placed a Notice in The Oban Times dated 24 January 2013, and reference to this proposal can also be found on the Forestry Commission website at www.forestry.gov.uk/scotland.

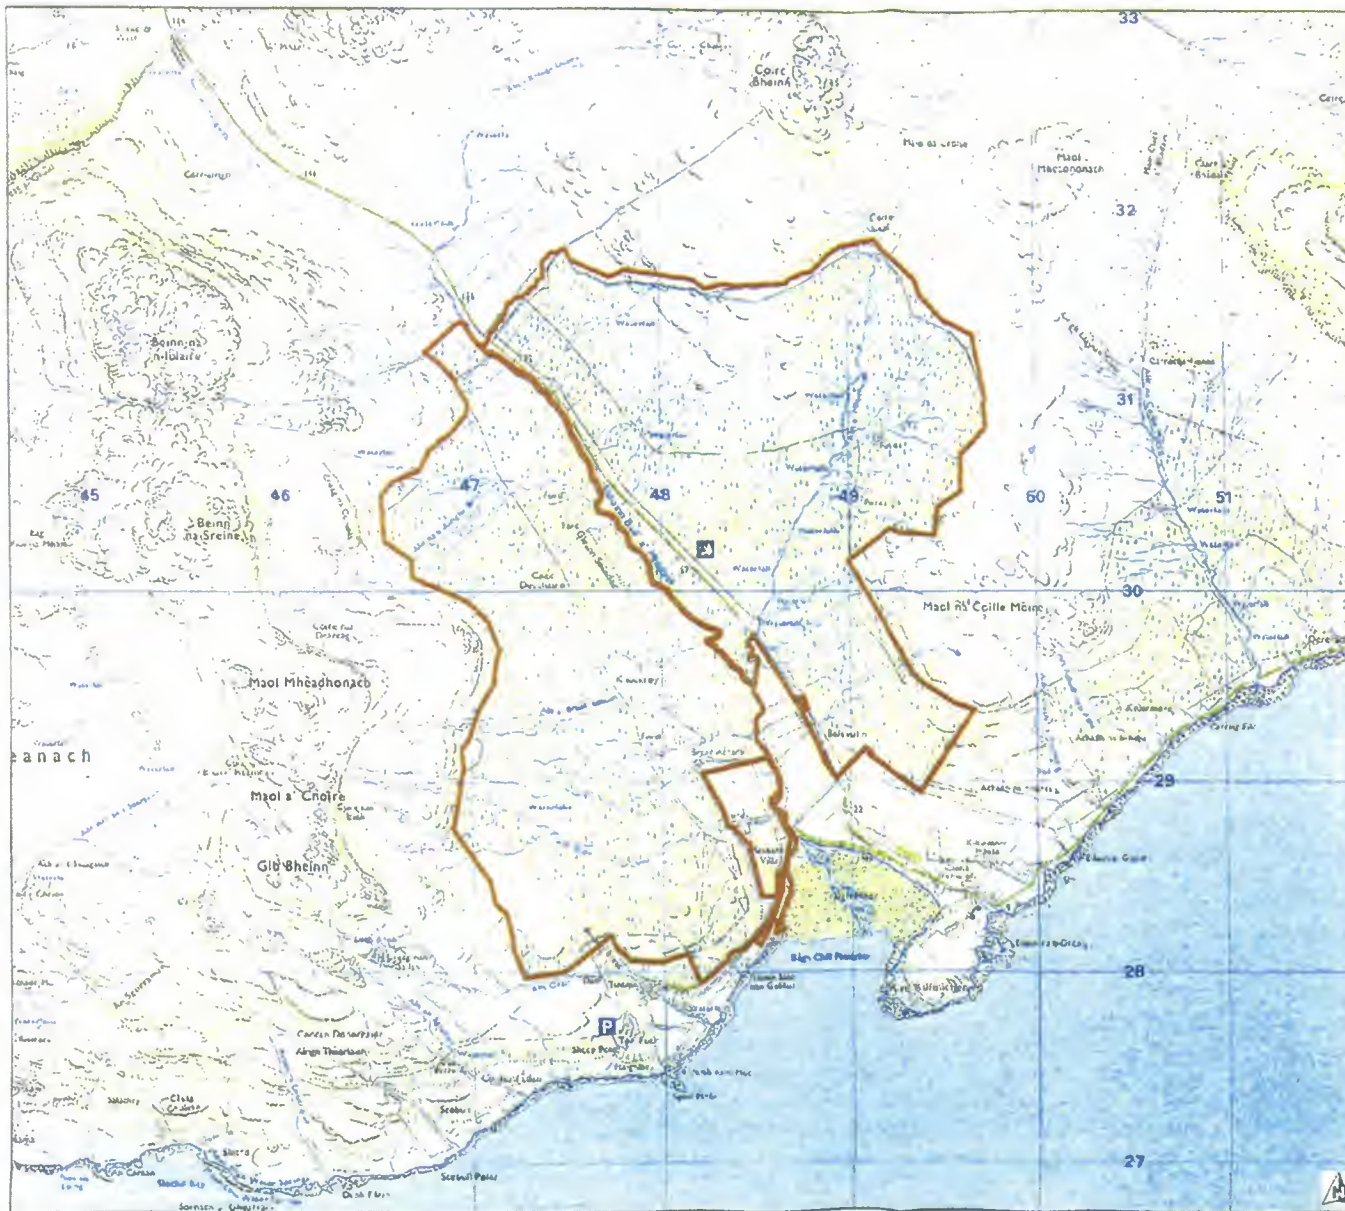

I enclose a copy of the National Forest Land Scheme guidance booklet and draw your attention to pages 23 – 26 in particular where the details of Sponsored Sale of Surplus Land are described. You will note an eligible body interested in acquiring the woodland will need to notify Forestry Commission Scotland within 28 days of the advertisement in the newspaper. Please therefore let me know by 24 February 2013 whether Mull Community Council has an interest in this woodland.

A rough boundary plan for the woodland (which extends to approx. 792 hectares) is enclosed – the grid reference is shown on the plan. Please get in touch should you require further information on the area to be sold.

Should you require any further details please don't hesitate to contact me at the above address or by e-mail.

Yours sincerely

John Mackenzie
