

# COMMUNITY LAND RIGHTS

A Citizen's Guide

Andy Wightman

1st Edition  
July 2009

*Community Land Rights A Citizen's Guide* outlines land rights that belong to communities in Scotland and provides a how-to guide to undertaking research into common good land, commonties, commons and other forms of commonly held land.

The Guide explains how to use sources such as the Register of Sasines and the Land Valuation Survey 1910 to identify, assert and recover rights that belong to the people.
